PRESIDENT'S MESSAGE

How time passes. The election, hunting season and the holiday's have come and gone. I hope everyone had an enjoyable, Merry Christmas and Happy New Year's Eve and Day.

Everyone's spirits should be up after the election not because the campaign rhetoric is done, but because our Second Amendment rights are a little more safe. Congratulations to South Dakota Senator Elect John Thune, a staunch supporter of Second Amendment rights. With President Bush's re-election and the Republican gains in the House and Senate, we can feel a little better but not let our guard down. The anti's will keep trying.

The annual meeting will be held at Aberdeen, South Dakota on Saturday, February 5, 2005, at 5:45 p.m. directly following the close of the gun show. The meeting will be held in a conference room at the Ramkota Hotel that is located directly adjacent to the main room of the gun show. Signs will be posted. Try to make an effort to be there. The terms of two South Dakota and one North Dakota directors will expire and new ones will be elected. Time to start thinking about that. The present Directors have done a tremendous job. Give them consideration, as well as anyone else you may want to see on the Board. We are entering into the busy season for gun shows. Attend as many as you can, find some deals and show your appreciation by supporting the dealers.

I want to thank everyone for their support of the Dakota Territory Gun Collectors Association in the past and in the future. Once in a while; stop and think about the old friends that have passed on.

WITH ONLY A MONTH AND A HALF to build this show on, Roger's disappointment comes with encouragement. 153 tables rented, 670 paying customers through the gate and that does not include the membership attendance who go through the gate free of charge. With the short notice, some of his prospective table renters were already booked at another area show. Public was extremely impressed by the style of this show compared to previous shows held in Jamestown under DTGCA. Comments were favorable from the public and vendors. Vendors doing very well to satisfactory to not much at all, is just all part of the game. You have to have what the buyer wants and in their price range. Seventy-five percent of the tables are booked back again for next year boosting the encouragement a show manager needs to make his show a success and if you know Roger, a success it will be.
